MEMORANDUM

TO: EXO

FROM: OGP

SUBJECT: X Personnel Status Report for P&P

1. The following is a status report on Programs and Planning personnel as of this date, per your priority request.

2. The status of personnel in the following pages is broken down throughout into three paragraphs as follows: paragraph 1, those bodies already on duty; paragraph 2, those bodies in process of being security cleared (with an approximate ETA date wherever possible); paragraph 3, those bodies under consideration. This latter category is minimum, since most recruitment on the part of Programs and Planning has been held up pending a decision on, and the approval of, our Tables of Organization.
